Turner County grants permission for the above facility to use Turner County Right of Way and culverts for temporary manure pumping lines. Culverts may not be used during periods of inclement weather, such as, but not limited to rain, snow, or temporary flooding. Any damage to culverts will be the responsibility of the facility owner including repairs or possible replacement.

By signing below, the facility owner agrees to hold harmless Turner County, its employees and agents, from any cost, claim, suit liability and/or award which might come, be brought or be assessed, because of the issuance or exercise of this agreement, or because of any adverse effect upon any person or property which is attributed to the partially or entirely completed works of the facility owner.
